Circular

This is to inform the email services being provided by NIC to ESIC are being migrated to the new cloud-based email solution. During this process, it has come to notice that there are several inactive email IDs. It may be that such users have either left the organisation or simply not logged into their email ID. Therefore, all such officers and officials who have not logged into their email may log in to their email IDs and check if the same are active. In case, the email IDs are found inactive, they may send a request to ICT Division on the email ID ad-ict@esic.gov.in to activate their email IDs by 15.07.2025.

2. The emails remaining inactive after this deadline will be excluded from the migration, and after the migration activity, it might not be possible to retrieve the data of the email's IDs. However, on request, new email IDs will be created as per the routine procedure.

3. All Head of Offices are requested to circulate this information widely and ensure compliance.

This issues with the approval of Competent Authority.
